

## **Business Analyst**

If you know something about farming and studied finance, accounting or agribusiness, this might be the perfect position for you. This is a position with big opportunities for growth and development in a rapidly growing company that is changing the game for Prairie farmers.

Input Capital Corp. is an innovator on the western Canadian agriculture scene. We're about six years old, have raised over \$100 million from investors and are the 5<sup>th</sup> largest public company in Saskatchewan. We're based in Regina, and are listed on the TSX Venture Exchange under the symbol INP.

### **Key responsibilities include:**

#### Streaming Contract Investment Process

- Support due diligence process for streaming contract acquisitions and mortgage streaming underwriting
- Gather and assemble financial information from prospective clients
- Prepare investment proposals for management and Investment Committee

#### Portfolio Reporting and Other

- Streaming contract portfolio reporting and analysis
- Create ad-hoc financial analysis spreadsheets
- Conduct financial research, assemble and present findings
- Monitor and report on trends, capital and agricultural markets

### **Preference will be given to an individual who possesses:**

- Previous experience with agriculture venture capital, private equity, or mortgage lending and underwriting is ideal, but similar experience in any sector is also suitable
- An undergraduate degree in finance, accounting, agribusiness, or a relevant area. If you are currently pursuing the CFA designation, this would be seen as a positive
- A farming background in western Canada would be helpful, but is not a requirement
- Two to five years' experience in a corporate environment, although new graduates with the right mix of education and skills will also be considered
- Solid Excel skills with working knowledge of the rest of the MS-Office suite
- Understanding of accounting and financial principles
- Strong attention to detail with demonstrated organizational and analytical skills
- Excellent communication, interpersonal and problem solving skills
- The ability to work independently using sound judgment and initiative; and
- Cooperative talent, motivation and willingness to experience a fast-paced environment.

### **Attitude**

- As part of a small team, you need to be the kind of person who is willing to jump in as necessary to get things done.
- You need to be flexible and adaptable, and willing to work longer hours when the need arises.
- You should enjoy your work and have a good sense of humour.

### **Compensation**

- Competitive salary + benefits
- Annual bonuses
- Stock option plan
