

## Senior Business Analyst

If you have experience in finance, accounting or agribusiness and have background knowledge of farming, this might be the perfect position for you. This is a position with big opportunities for growth and development in a rapidly growing company.

Input Capital Corp. is an innovator on the western Canadian agriculture scene. We're about six years old, have raised over \$100 million from investors and are the 5<sup>th</sup> largest public company in Saskatchewan. We're based in Regina, and are listed on the TSX Venture Exchange under the symbol INP.

### Key responsibilities include:

- Manage and support the due diligence process for streaming contract acquisitions and mortgage stream underwriting
- Gather and assemble financial information from prospective clients, including balance sheet, credit performance and security value analysis
- Prepare investment proposals for management and Investment Committee
- Monitor and make projections on key metrics within the streaming portfolio such as deployment, security positions, and financial ratios
- Design and facilitate effective and smooth contract restructuring and buyouts for clients
- Assess, evaluate and recommend product features and improvements to Investment Committee
- Conduct financial research, assemble and present findings
- Monitor and report on trends, capital and agricultural markets

### Preference will be given to an individual who possesses:

- Previous experience with agriculture venture capital, private equity, or mortgage lending and underwriting is ideal, but similar experience in any sector is also suitable
- An undergraduate degree in finance, accounting, agribusiness, or a relevant area
- Enrollment in or successful completion of the CFA designation would be an asset
- A farming background in western Canada would be helpful, but is not a requirement
- Two to five years' experience in a corporate environment
- Solid Excel skills with working knowledge of the rest of the MS-Office suite
- Strong attention to detail with demonstrated organizational and analytical skills
- Excellent communication, interpersonal and problem solving skills
- The ability to work independently using sound judgment and initiative; and
- Cooperative talent, motivation and willingness to experience a fast-paced environment.

### Attitude

- As part of a small team, you're the kind of person who is willing to jump in as necessary to get things done
- You need to be flexible and adaptable, and willing to work longer hours when the need arises
- You should enjoy your work and have a good sense of humour

### Compensation

- Competitive salary + benefits
- Annual bonuses
- Stock option plan
